

RAVENOL Ketten-Spray

Art. 1360032

RAVENOL Ketten-Spray is a spray lubricant and corrosion protection for all types of high-speed chains.

Description:

RAVENOL Ketten-Spray penetrates immediately between the chain links in gaps and provides excellent corrosion protection.

RAVENOL Ketten-Spray builds stable odorless lubricating film after flashing off of compressed gas, it minimizes friction and enhances hydrodynamics.

RAVENOL Ketten-Spray formulated to effectively penetrate all gaps and dry quickly to provide a stable, odorless lubricating film with high levels of adhesion and water resistance.

RAVENOL Ketten-Spray is compatible with most types of sealing materials such as rubber and plastics.

RAVENOL Ketten-Spray is ideal for use on all motorcycle chains and other chains directly exposed to the elements.

RAVENOL Ketten-Spray designed to resist ageing and minimise dirt adhesion for long lasting effect compared with fully synthetic spray.

Application directions:

RAVENOL Ketten-Spray should be shaken well before use. Spray onto the chain to be treated from a distance of approx. 20-30 cm. The product penetrates quickly between the chain links even in the narrowest gaps. Always keep chains well oiled for maximum effect.

Characteristics:

RAVENOL Ketten-Spray offers:

- Excellent penetrative properties also by the narrowest gaps
- Forms an odorless stable lubricating film
- Reduces friction
- Enhances hydrodynamics
- Excellent water resistance
- High bond strength and durability
- Compatible to rubber and plastics
- Provides excellent wear protection
- Formulated to resist dirt build up
- Very stable to resist the effects of weathering.
